## DO YOUR MATH

JUNE

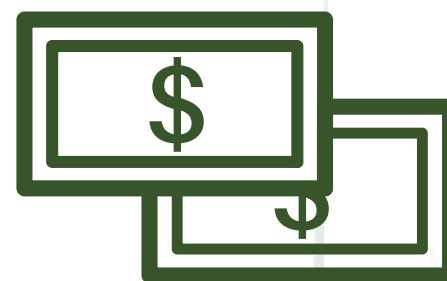

How much beef are you eating in a week?  
Family of 4 eats beef 3xs/week= 12 lbs (52 weeks) = 620 lbs +/- per year.

## ORDER NOW

JULY

It seems crazy, but you have to order your beef for the Fall harvest in July. We are setting numbers for harvest as early as April.

## DEPOSIT & FINAL PAYMENT

JULY

We require a deposit payment and a payment for the beef upon receipt. We have several methods for payment. We accept check, credit card, and Venmo.

## DISCUSS YOUR CUTS WITH PETE

SEPTEMBER

Pete will call and work through a cut sheet with you. He will talk about what you most prepare and then advise you on the best cuts. Please let us know if you would like organ meats or specialty cuts and we will see what we can work out.

## PICK UP YOUR BEEF

OCTOBER / NOVEMBER

We will deliver to Livingston and Bozeman at a determined location point.

THANK YOU FOR EATING REGENERATIVE BEEF
